Azle Lions Club Golf for Sight Golf Tournament 2011

The **Azle Lions Club** will be hosting its annual **Golf for Sight Golf Classic** on Saturday October, 8 2011 at Cross Timbers Golf Course in Azle. Your support will enable our Organization to continue to provide aid for our area families.

The Azle Lions support Eyesight for children. This program provides eye exams and eye glasses for children, for qualifying families. Our organization also organizes and assists sending children to the Texas Lions Camp in Kerrville. The camp is for children 7-14 with physical disabilities and a separate camp for children with diabetes. The camp is free for qualifying campers.

Our mission is to provide helping hands to the children of our community. We help disadvantaged children with backpacks & school supplies, clothes when needed and gifts at Christmas. To accomplish our goals we solicit sponsors to help raise funds so we may increase the number of children we may help. We invite you to be a part of this service and ask you to become a sponsor of this year's tournament. Our sponsors will have the opportunity to have company name and logo printed on our brochures that will be distributed through out the metroplex, golfers and other sponsor. Your company name and logo will also be printed on T-shirts that will be presented to all the golfers and volunteers.

Our goal is to have an outstanding tournament. Each golfer will receive goody bags that are filled with donations from companies and individuals. Donated door prizes will be awarded to golfers. Prizes will be given to 1st 2nd, place finishers in two (2) flights. There will also be prizes for Longest Drive (in fairway), male and female, and two (2) closest to the pins on selected par 3's. There will be catered lunch for all **Golfers, Sponsors & Volunteers** after play. We encourage our **Sponsor's** to join us for lunch to learn about our organization and what we do for the children of our community.

This year, our Tournament will be sponsoring **Azle Lions Angel Tree, Eyeglasses for Kids, Texas Lions Camp, Back the Pack, Weekend Food Program and Robert Landers Youth Golf**. We also sponsor two (2) Graduating Seniors with scholarships, and assist with benevolent projects within the community. There are many in need of our assistance and you can be a part of that project. Please accept our invitation and be a vital role for assisting the children of the community and sign up as a sponsor. Everyone will benefit and those who utilize our donations will appreciate your sponsorship. There are various levels which you may choose.

Lion Larry Trammell (817) 221-3142
Tournament Chair
Lion Rebecca McNutt (817) 270-0948
Lion Bob Shirron (337) 424-1431
